Extension of NLRA Posting Implementation

We recently issued an advisory about unionized and non-unionized private-sector employers subject to the National Labor Relations Act (NLRA) posting a notice concerning NLRA rights. Initially, the effective date for implementation of the posting rule was November 14, 2011. The National Labor Relations Board has postponed the implementation date to January 31, 2012 in order to allow for enhanced education and outreach to employers.

If you have any questions, please feel free to contact [Farah Mollo](#) or any other attorney at our Firm at (212) 758-7600.
